

LOVE LANGUAGES PERSONAL PROFILE

FOR WIVES

The **5** Love Languages[®]

To Get Started:

The profile consists of 30 pairs of statements. Circle the one statement in each pair that best represents your desire. Your husband may or may not do some of these, but if he did, which would you prefer? Once you've made your selections, go back and count the number of times you circled each individual letter and write in the appropriate blank at the end of the profile.

Which love language received the highest score?

This is your primary love language. If point totals for two love languages are equal, you are "bilingual" and have two primary love languages. And, if you have a secondary love language, or one that is close in score to your primary love language, this means that both expressions of love are important to you. The highest possible score for any single love language is 12.
